RE: Stunt Sheet and Competition Instructions

To: All SDA Directors

Hello Nobles. I hope this letter finds you well and looking forward to the Holidays. I know I am.

Enclosed are your Stunt Information Sheet and Judging Criteria Sheet. Please fill out the Information Sheet and either mail or email it back to me by March 1, 2012. Currently, I am down in South Texas working and my fax service is questionable at best. If you really need to fax, contact me and we will work something out.

Your stunt number for the competition is determined by the order in which they are received, so the sooner you get it in the lower your order number will be!!

The competition this year will be held at the San Antonio Airport Hilton on Friday morning, March 30, 2012. Remember that stunt competition is one of the major focuses of our convention. So please give this endeavor you full support.

If you need to ship your stunt(s) the address is on the Stunt Information Sheet for the Airport Hilton. You will also be responsible for having your stunts shipped back home.

The stunt competition will take place on carpet. Even though the carpet will be covered, it is requested that water be used sparingly.

I look forward to seeing each of you there. Please don't hesitate to contact me if there are any questions.

Fraternally,

Robert M. Mallett
Director General, SDA

P.S. Please make sure you mail the stunt form to the address shown on the stunt blank, not the address shown above in letterhead.

Important!!
STUNTS ARE NUMBERED AS
THEY ARE RECEIVED.
